## ROAD MAINTENANCE

(KILLEEN, TEXAS): Contractors will begin preventive maintenance on several city streets Thursday. Work will take place from 8 a.m. to 5 p.m. daily. Residents in affected areas will receive additional notice as service times near.

Traffic will be routed around the work zones during this time.

Each year, streets are identified to be slurry sealed, a process that extends the life of streets and provides a smoother riding surface. Slurry sealing involves the entire street surface, curb to curb, so cars in affected areas must not park in the roadway.

Vehicles may use the roadway once the barriers are removed.

The streets in order of service, weather permitting, are:

<b><u>November 12</u></b>	40 <sup>th</sup> Street	from Water Street to Turner Ave.
	42 <sup>nd</sup> Street	from Business 190 to Turner Ave.
	42 <sup>nd</sup> Street	from Turner Ave. to Water Street
